SHAKE IN A BOTTLE.

Advice of Noted Authority, Also Gives a Simple Home Prescription Which Anyone Can Prepare.

Now the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack. Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Karkoon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime. Just try this simple home made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and an almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost. Druggists in this town and vicinity, when shown the prescription, stated that they can easily supply these ingredients, or if our readers prefer, they compound the mixture for them.

Stonewall in the Swim.

To the Editor of the JIMMIE:

Please give me space to say to Bros. Nate King and Jake Alford, here's my heart and here's my hand to join the royal Prohibition band; and with you doff my beaver to the maids and matrons who rolled the prohibition ball to success. Wish to add if you could have stood where Stonewall stood on that eventful day and heard the songs those ladies sang and the misses have their say, you would doubtless have joined Stonewall in the refrain:

Let us rally around the American flag, Let's rally around the eagle, (then) Down goes the whisky jug. Pop goes the weasel.

The Stonewall gang made a commitment to day from force of circumstances, their leader having gone into the hands of a receiver, and turned to a much neglected bible for consolation and found that Solomon said: Look not upon the wine when it was red, etc. But that venerable old mother in Israel, grandma S— used to make a wine out of her celebrated succupernong grapes that want red—may but clear as crystal and pure as the driven snow and made a splendid pro-drink, to which ye Stonewall can testify, having drank thereof and found that it was good.

Roll on roll on sweet moments, roll on And let a weary way worn traveler alone.

Stonewall No. 2.

Later—Since penning the foregoing a cablegram via Joe Davis' phone gives vent to the statement that one J. W. Youngblood of Lasater on the Rhine, and Mrs. Cope of Sarber on the Bosporus, are to be made one inseparable. Good for Youngblood. Rah! for Sarber.

The boys all up and down the Katy line are preparing for the biggest parade since the days of the kinkix, Lee Lemmons has chartered the big 50-horse traction engine at the ore pit to carry the band. Lee says he will have on board a harp of a thousand strings. Rah! for Lee.

A Chance to Make Money.

Since making my big hit in a Mexican gold mine, I get so many letters that I cannot answer them, and ask you to publish this statement:—

I believe any man or woman can make big money, with absolute certainty by buying stock in any of the rich operating mines, because Mexico has the richest mines in the world, and the Mexican laws do not permit fraudulent mining schemes. Be sure to invest in a mine that is actively operated, and owned by a reliable company, whose officers and directors are known to be men of integrity and honesty; a few dollars invested with such a company now, will bring you thousands in a year. The Pittsburg-Oakman Mining Co. block 2123, Pittsburg, Pa., is absolutely reliable, and through them I made over \$20,000 in less than a year, having only a few dollars to begin with. A friend of mine invested \$10, and is now getting \$5 a month. You do not have to go to Mexico; write to the above company, and you can rely implicitly on the information you receive.

And the help of sweet laughter on lips ringing and clear.

Help! Help! Every life has its need, Every heart its deep wound where the centuries bleed.

Help for the weary who potters along, The young with a ring of red morn in their song.

Help is the secret, the beauty, the might, The lane of the lilies to God and the light!
